

IP transactions Attorney (temporary)

We are looking to hire a temporary IP transactions Attorney. S/he will act as legal counsel for various intellectual property transactions including: patent licenses, research collaboration agreements, material transfer agreements, confidentiality agreements, and consulting/SAB agreements. Work with other patent professionals on patent prosecution matters related to IP transactions.

Education/Skills Experience Required:

- Life sciences patent attorney, licensed to practice in California, having some IP transactions experience----preferably patent licensing.
- Experience with university technology transfer and/or medical research organizations desirable.

To apply:

Please send cover letter and resume to Janine Doerner at Janine.doerner@gladstone.ucsf.edu
